Addendum No. 1

Dear Contractor:

This addendum is being issued to the contract for CONSTRUCTION ON STATE HIGHWAY IN ALAMEDA COUNTY AT VARIOUS LOCATIONS FROM 0.4 MILE SOUTH OF AUTO MALL PARKWAY TO 0.1 MILE NORTH OF MISSION BOULEVARD (ROUTE 238).

Submit bids for this work with the understanding and full consideration of this addendum. The revisions declared in this addendum are an essential part of the contract.

Bids for this work will be opened on Friday, September 28, 2012 at 10:00 a.m..

This addendum is being issued to revise the Notice to Bidders and Special Provisions.

In the Special Provisions, Section 10-1.43, "PILING," subsection "MEASUREMENT AND PAYMENT (PILING)," the second paragraph is revised as follows:

"Payment for cast-in-place concrete piling shall conform to the provisions in Section 49-6.02, "Payment," of the Standard Specifications and these special provisions except that when the diameter of cast-in-place concrete piling is shown on the plans as 24 inches or larger, reinforcement in the piling will be paid for by the pound as bar reinforcing steel (retaining wall)."

In the Special Provisions, Section 10-1.46, "ARCHITECTURAL SURFACE (TEXTURED CONCRETE)," subsection "Quality Control and Assurance," is revised as follows:

"Quality Control and Assurance**Referee Sample**

The architectural texture must match the texture and pattern of the referee sample located at the existing outside bridge rail (Bridge No. 37-0302) of Highway 680, over Highway 237/Calaveras Blvd. in the City of Milpitas CA, for bush hammered texture/pattern.

Test Panel

A test panel at least 4' x 4' in size must be successfully completed at a location approved by the Engineer before beginning work on architectural textures. The test panel must be constructed and finished with the materials, tools, equipment, and methods to be used in constructing the architectural texture. If ordered by the Engineer, additional test panels must be constructed and finished until the specified finish and texture are obtained, as determined by the Engineer.

The test panel approved by the Engineer must be used as the standard of comparison in determining acceptability of architectural texture for concrete surfaces."

To Bid book holders:

Inquiries or questions in regard to this addendum must be communicated as a bidder inquiry and must be made as noted in the Notice to Bidders section of the Notice to Bidders and Special Provisions.

Indicate receipt of this addendum by filling in the number of this addendum in the space provided on the signature page of the Bid book.

Submit bids in the Bid book you now possess. Holders who have already mailed their book will be contacted to arrange for the return of their book.

Inform subcontractors and suppliers as necessary.

This addendum is available for the Contractors' download on the Web site:

http://www.dot.ca.gov/hq/esc/oe/project_ads_addenda/04/04-4G1004

If you are not a Bid book holder, but request a book to bid on this project, you must comply with the requirements of this letter before submitting your bid.

Sincerely,

REBECCA D. HARNAGEL
Chief, Office of Plans, Specifications & Estimates
Office Engineer
